Organizes

Online Faculty Development Program

**Understanding of SCOPUS Publication and
detection of fake/clone/predatory Journals**

Date -13th July 2022

Time – 10:30 AM -1:00 PM | 2:00 PM -4:00 PM

BVIMSR is organizing an online Research Development Program for the Faculty members and Research scholars from various institutes & colleges across India to understand Scopus Publication and Detection of fake/clone/predatory Journals

Scopus publication is nowadays mandatory for academic fraternity and it has become prerequisite for the faculty to publish their research paper in quality journals to improve their Academic Performance Index.

Over the years predatory/ cloned / fake publishing has gained momentum and academic publishing evolved as a business model that involves charging publication fees to authors without checking articles for quality and legitimacy.

To provide genuine insight on this burning issue Bharati Vidyapeeth's Institute of Management Studies and Research (BVIMSR) has organized this FDP.
